

GABRIEL DAVILA

FRONTEND WEB DEVELOPER

📞 630-864-0607 | ✉️ gdavila0819@gmail.com | 🌐 gavedavila.com | 🐙 github.com/GabrielJDavila

PROFILE

I am a qualified and professional frontend developer with 3 years of programming experience and working with clients. Creatively driven with an endless curiosity, I use my skills to create high-quality applications with a great user experience. I am continuously learning and developing my skills further while seeking meaningful work to create a positive impact.

EXPERIENCE

FRONT END DEVELOPER

Freelance

May 2021 - Present

- Website and web application creation for small businesses in Illinois.
- **Utilized ReactJS, React Router, Firebase, JS, CSS, and HTML**
- **Other tools/skills: Git/GitHub Desktop, Visual Studio Code, Figma, Bootstrap, APIs, JSON, UX/UI design**

FITNESS COACH

H4 Training

Feb 2020 - present

- Provided outstanding customer service and experience.
- Designed fitness programming for clients, provided nutrition coaching, and trained groups of 4-8 people in a fast-paced environment.
- Wrote articles, kept website content maintained, and created social media content for high-end studio.

PERSONAL TRAINER

Self-employed

Nov 2016 - Jan 2023

- Trained clients in multiple settings; studios, commercial gyms, in-home, and online.
- Provided clients with fitness programming and nutrition guidelines.
- Handled social media marketing, blog content creation, and website development for my own business.
